

Need a ruler? Print this page to scale and check your compatibility and what version to choose

Thin version: 0.39"- 0.69" (10-17mm)
Standard version: 0.71- 1.0" (18-24.5mm)
iPhone 12 compatible up to 0.80" (20mm)

*Please note: phone cases can add up to
around 0.07" (2mm) - if your table is on the
edge between thin and standard and you
always use a case, please choose standard
and always use on low setting.*
